

Hello Rose Pioneer Parents,

The Holly Area Schools Skyward Family Access system is now available for use by each family. This online system will be used to complete all necessary back to school tasks prior to the start of the 2015/2016 school year. **Parents are encouraged to complete this process as soon as possible in order to receive timely electronic communication from the school and to avoid delays in line at Open House.** If you do not have your Skyward account log in information, you can request it via email @ family.access@has-k12.org or contact Mrs. Lamb in the Rose Pioneer office beginning August 17th.

This step-by-step online registration process will also allow parents to verify student emergency contact information, access and review the school handbook and acceptable use technology policy, and review/complete necessary forms, such as food service applications.

To complete online registration, go to the Rose Pioneer Schoolfusion page at www.holly.rpes.schoolfusion.us. Simply click on “2015-16 Online Registration” tab on the left side of the screen to get started. If you do not have computer access, please be aware that Skyward Family Access is available from a mobile device.

Teacher assignments will be distributed at our Back to School Meet and Greet Open House on September 2nd from 4 - 6 p.m. In order to pick up a teacher placement letter, each family must have registered in Skyward. Those who have already registered will simply grab his/her placement letter and attend the Open House; those who have not will be required to use the school computer lab to complete the registration process before being given teacher placement information.

Enjoy the rest of your summer and GO BRONCHOS!

Michael Beattie
